"I can't think of any reason why I shouldn't say I like Tuxedo—because I do like it, very much."

Why Should I Smoke TUXEDO?

TUXEDO is the logical smoke for millionaires because it is impossible to buy a better tobacco.

Tuxedo is the logical smoke for the economical man because there are 40 pipefuls in a ten-cent tin—making the average cost per pipeful only one-fourth of a cent!

To buy cheaper tobacco means to get less pleasure out of smoking, because it is impossible to make a tobacco as good as Tuxedo at less than the Tuxedo price!

Tuxedo

The Perfect Tobacco for Pipe and Cigarette

Tuxedo is made of only the finest, choicest selected leaves of perfectly aged Burley tobacco. It is made by the original Tuxedo process which takes all the unpleasantness out of tobacco and leaves all the pleasantness in!

Tuxedo has a deliciously mild, fragrant aroma that is pleasant to all. It is the only tobacco you can smoke in a room full of lace curtains without leaving even a trace of an odor.

A trial will convince you that Tuxedo is superior to every other tobacco you have ever smoked. Buy a tin—today.

FROM MANY LANDS.

Southern Baptist missionaries in Africa have had gratifying results in their work this year. They report 199 baptisms in their seventeen churches and a total membership of 969. These native Christians, out of their poverty, contributed \$1,577 to the support of their own work.

The low price of coffee and rubber has produced a condition of financial depression in Brazil but no backward movement has been reported from those on the field. One missionary says that one day laborer in his field brought him his tithe, amounting to \$52 at the close of the church year.

Recently the board of missions of the M. E. Church, South, received a contribution of \$5.00 from the African mission, from a young girl whose father is a local preacher, and who has had the misfortune to lose his entire right arm, whose mother takes boarders and does anything else she can for a living, and who, herself, has lost one foot and ankle, but is far enough along to teach a country school. A case of real self-denial.

OUR CITIZEN'S DEMAND

Fully Complied With—A Maysville Resident Furnished It.

There are few items which appear in this paper more important to Maysville people than the statement published below. In the first place, it is from a citizen of Maysville and can be thoroughly relied upon. In the second place it indisputably proves that Doan's Kidney Pills do their work thoroughly and not temporarily. Read this carefully: Frederick Dresel, 1238 E. Second St., Maysville, Ky., says: "I was troubled with inflammation of the bladder and an annoyance from my kidneys. The passages of the kidney secretions were irregular and I had a severe pain across the small of my back which interfered with my duties. When a friend advised me to try Doan's Kidney Pills, I got a box at Wood & Son's Drug Store. Since using them I have had no trouble. All I said about Doan's Kidney Pills before, still holds good."

Mr. Dresel is only one of many Maysville people who have gratefully endorsed Doan's Kidney Pills. If your back aches—if your kidneys bother you, don't simply ask for a kidney remedy—ask distinctly for Doan's Kidney Pills, the same that Mr. Dresel had—the remedy backed by home testimony, 50c all stores. BOOSTER TR P FOR CHAUTAUQUA

Business Men May Take Jaunt to Advise Program in This Territory.

In several cities where Chautauquas have been held in recent years, booster trips have been made through the surrounding country as a means of advertising the seven-day program. It is probable that such a plan will be worked out here.

The usual methods is to secure a string of automobiles, load up with advertising material furnished by the Redpath Chautauquas, and take in a number of the smaller towns in all directions. This has been found to produce fine results for the Chautauqua, and it is the means of bringing to the city large numbers of visitors and Chautauqua patrons from adjacent territory.

THE EXPRESS IS IN THIS TOWN AND IN TO STAY

FOR seventy-five years—three-quarters of a century—the express has been the right hand of the shippers of commercial America. The express came to Maysville, Ky., in 1860 and it came to stay. For 54 years it has been the right hand of commercial Maysville Ky. It is here to stay. The other day when reports went out that the express companies might retire from business, a protest went up. From whom this protest—the express

companies? No! The merchants of the country—shippers everywhere—petitioned Congress that no action be taken that might have the effect of forcing the express companies to retire. Commercial organizations all over the land have joined in this appeal to Washington.

For seventy-five years in the past and for a good many more years in the future Express Service will mean.
